

# Why do I see a big black box/words scrolling at the bottom of my screen?

Last Modified on 06/22/2021 4:46 pm EDT

Closed Captioning (CC) is turned on either on your TV or through the converter or TiVo.

On your converter you will find the option to turn on or off CC under **MENU** then **SET UP**.

On your TiVo you will find it under the **INFO (i)** button

On most TV's you should find it under **SETTINGS** or **MENU** button on your remote that came with your TV.
