

# How do I get started with my Whole Home 6-Tuner DVR?

Last Modified on 03/11/2017 11:27 am EST

The SECV media player experience starts with pressing the **MENU** button on the remote. You'll then see the top level of the main menu, a horizontal band that runs across the middle of the screen and gives access to all of the main menu options. Not only will you be able to view and record programming, but you will be able to view photos, play games and more.
