

# How does SECV's Phone differ from traditional phone services?

Last Modified on 11/26/2024 11:33 am EST

SECV's Phone offers the convenience of unlimited local and long-distance calling and over ten calling features: Voicemail, Voicemail to Email, Nomorobo, 3-Way Calling, Call Waiting, Call Forwarding, Caller ID, Return Call, and more for one low monthly price. Long-distance charges do NOT apply to the U.S., Canada, Puerto Rico, and Mexico. SECV Phone does not affect your Internet connection. You can surf the Internet and be on the phone simultaneously.
