

# How do I request a channel not currently carried on my channel lineup?

Last Modified on 06/18/2021 4:39 pm EDT

Channel requests help us make decisions when we add or change a channel lineup. Please submit your channel request via our website at [www.secv.com/channel-requests](http://www.secv.com/channel-requests). Your request will be sent to our programming department for consideration.
