

# What do I need to get HDTV?

Last Modified on 06/21/2021 3:10 pm EDT

There are 3 main requirements in order to access HD channels and HD On Demand:

1. A high-definition (HD) capable TV.
  2. A HD converter, HD/DVR converter, TiVo, or HD Digital Transport Adapter (DTA).
  3. A subscription to one or more of the following channel tiers: Local Advantage, Classic Cable, Variety, Premier, HD Plus, HBO, Cinemax, Showtime or Starz/Encore. Please review our [channel lineup](#) for a list of available HD channels.
