Last Modified on 06/22/2021 4:14 pm EDT

The first time you use Parental Controls or purchase a PPV or VOD program, the system will ask you to create a PIN.

1. In the Settings category, scroll to the Parental Controls card and press **OK**.
  2. Using the remote, enter a four digit PIN and then enter the PIN again to confirm it.
  3. Choose close.
