Yes. There are three ways to set up a recurring credit or debit card payment.

1. Visit www.secv.com and click the "Support" link. Click the "Payment Options" link in the billing support section. Download the application under the Automatic Bill Pay section and then follow the instructions.
 2. Register your account with SECV's Online Account Management System. Visit www.secv.com and click the "View/Pay Bill" link. Enter your 16-digit account number and click "Continue" to complete your registration. Please reference your billing statement for your account number.
 3. Call your local office and a Customer Service Representative will gladly assist you.
