

How do I operate my remote control?

Last Modified on 06/18/2021 4:38 pm EDT

To get instructions on the operation of your specific remote, go to www.secv.com and click the "Support" link. Click the "Remote Control" link under the TV Support section. Select the remote control image that most closely resembles the one you have in your home. This will open into a PDF of the operating instructions.
