

What is required for accessing TV Everywhere content?

Last Modified on 03/11/2017 1:06 pm EST

To access TV Everywhere (TVE) content you will need to verify that you subscribe to the appropriate tier of TV service from SECV, a High-Speed Internet connection and an SECV username and password. TVE is available for the channels within your TV subscription at no additional charge. Please visit www.secv.com/tve for more information.
