

# I signed up for Nomorobo, but I am still getting calls from a certain number or calls that should not be blocked are not getting through. What do I do?

Last Modified on 12/15/2017 3:52 pm EST

Occasionally a robocaller or a telemarketer will slip through. Just like spam, they keep changing their tactics and Nomorobo keeps adapting. If you do get a robocall, or need a report a number that should be getting thru go to your Nomorobo control panel.
