Ok, I've enabled and verified Nomorobo on my phone. What now?

Last Modified on 12/15/2017 3:53 pm EST

Just use your phone like normal.

The only thing that you should do is to wait for the second ring to answer the phone (Nomorobo needs the first ring to detect robocallers). If you only hear one ring and then it stops, you know a robocaller was just blocked. If the phone continues ringing, you should answer it.
