

What are the requirements to add TiVo to my account?

Last Modified on 01/26/2023 4:30 pm EST

TiVo DVR requires SECV TV Service, SECV DOCSIS 3.1 cable modem with a minimum of 24 x 8 channel bonding, and SECV Internet with a minimum download speed of 100M. TiVo Mini requires TiVo DVR.

Approved modem models from SECV include ARRIS DG3450, CM8200A, DG2470, DG1670, or D5001.
