

What is the TiVo on-screen program guide?

Last Modified on 07/28/2021 11:51 am EDT

The on-screen program guide displays up to two weeks of TV programming. Simply press the GUIDE button on your TiVo remote control. When you're viewing the guide press A to display guide options. Icons in the guide help you navigate the shows you want. New shows are marked with a NEW icon. Shows that are currently recording have a red circle icon next to the title, while shows that are scheduled to record are marked with a check mark (for individual shows) or double check mark (for OnePass recordings).
