Last Modified on 12/30/2021 4:25 pm EST

Please visit the FCC Affordable Connectivity Program website and receive confirmation that you are eligible, then visit www.secv.com/acp and complete the online enrollment form. If you do not have Internet access, the FCC will mail you paperwork eligibility. Once you receive confirmation from the FCC that you are eligible, please call SECV 877.955.7328 and the SECV form will be mailed to you to complete and return to SECV. If possible, you should go online to the FCC website and the SECV website, otherwise, there may be significant delays in getting you approved for the program.
