

Can I watch 4K HDR programming on TiVo Stream?

Last Modified on 02/10/2026 9:27 am EST

Yes, select 4K content is available on channels 801-804 on TiVo Stream.

4K Content Viewing Requirements

- TiVo Stream
 - 4K Capable TV (Some TV manufacturers set HDMI inputs to Standard by default in the TV settings, and they must be switched to Enhanced)
 - HDMI 2.0 or higher cable
-
